

Dear Children's Church Volunteer,

Thank you so much for being a part of our Children's Church ministry. Your participation in this ministry is greatly appreciated! I have included the contact information for all our volunteers as well as the schedule through November 2019.

If you cannot make a Sunday that you are scheduled to lead Children's Church, **please give me a call or text at least 24-48 hours before**. In case of illness, just text me as soon as possible. I will either fill in for you or, in the case that I cannot, try to find a replacement for you. I want this to be as easy as possible for all involved!
